

ITINERARY

BOAT TRIP TO THE BANANA ISLAND

- *The Banana Islands, in addition to the water activities, take a tour of the island and a trip to the local village. Not to forget the recent school and the old church and wells built by the Portuguese during the 1800's. It is said that whales come over to this island during their mating season. On this island you will see the grave sites of former slaves merchant and deceased slaves, you will also feel the Eco friendliness of the Island and see the traditional guest houses.*
