

ITINERARY

GUMA & PENINSULA

- *Guma Valley Dam and Reserved – an educational lecture on water treatment and a walk around the dam, which is surrounded by a beautiful forest. This forest is home to Chimpanzees and other wild animals. A nature trail cuts through this forest to the other side of River No.2. The dam is also a favourite picnic spot for day visitors*
- *Journey round the peninsula from Lumley to Waterloo and trek through the colonial bush path to the seaside and fishing villages.*
