PROTECT NATURE, PROTECT OUR FUTURE

At IPC Travel, we are committed to operating in a manner that supports sustainable development across all areas of our business. We recognize that our environment, communities, and culture are vital to the success of our operations and the long-term well-being of our stakeholders.

Responsible travel is at the heart of our values. We aim to maximize the positive social, environmental, and economic impacts of our activities while minimizing negative effects on the environment and society.

This policy outlines our current practices, ongoing initiatives, and future goals. It serves as a framework to guide our internal teams, clients, and partners toward shared sustainability outcomes.

BUILDING A SUSTAINABLE FUTURE

- Comply with all applicable environmental, social, and labor laws and regulations.
- Integrate sustainability principles into every aspect of our business operations.
- Promote responsible travel practices that reduce carbon emissions and waste.
- Support local employment, capacity building, and inclusive economic growth.
- Encourage responsible procurement by prioritizing sustainable and ethical suppliers.

WORKPLACE SUSTAINABILITY

- Educate all employees on sustainability objectives and make them accountable for implementation.
- Monitor and reduce energy and water consumption through employee engagement.
- Reduce paper use and promote digital operations where feasible.
- Practice waste segregation and recycling across all departments.
- Purchase locally produced and environmentally friendly materials while minimizing packaging waste.
- Maintain a safe, inclusive, and supportive work environment that promotes staff welfare and professional development.

SUSTAINABLE VALUE CHAIN

- Partner with suppliers, service providers, and transport companies that demonstrate strong environmental and social responsibility practices.
- Encourage the use of fuel-efficient, low-emission, and well-maintained vehicles to reduce environmental impact.
- Promote local sourcing, fair employment practices, and ethical labor standards throughout our supply chain.
- Support initiatives that reduce pollution, conserve resources, and enhance the wellbeing of local communities.
- Uphold human rights by prohibiting all forms of exploitation, including child labor, forced labor, human trafficking, harassment, and discrimination within our operations and supply chain.

COMMUNITIES AND DESTINATIONS

- Respect and promote local cultures, traditions, and heritage, ensuring that our activities contribute positively to community wellbeing.
- Collaborate with local authorities, communities, and organizations to support sustainable tourism and responsible travel practices.
- Encourage customers to respect local customs, protect the environment, and engage responsibly with host communities.
- Support local businesses, products, and services wherever possible to contribute to sustainable economic development.
- Promote awareness of environmental and social issues within destinations and encourage responsible tourism behavior.

GOALS FOR A SUSTAINABLE FUTURE

Continuous Improvement

Regularly review and update this policy to address emerging sustainability challenges, opportunities, and best practices.

Monitoring and Evaluation

Establish measurable sustainability objectives and monitor progress through defined performance indicators.

Progress Reporting

Report on our sustainability performance and achievements on a regular basis.

Stakeholder Engagement

Encourage feedback from employees, clients, suppliers, and partners to continuously improve our sustainability practices.

Workforce Engagement

Strengthen employee awareness and engagement through ongoing sustainability training and communication initiatives.

Innovation and Partnerships

Explore innovative solutions and partnerships that support responsible tourism and sustainable business growth.

MOVING FORWARD TOGETHER

Through this Sustainability Policy, IPC Travel reaffirms its commitment to conducting business in a responsible, ethical, and sustainable manner. We recognize that sustainability is an ongoing journey and are committed to continuously improving our environmental, social, and economic performance. By working collaboratively with our employees, clients, suppliers, partners, and local communities, we strive to create lasting value, support sustainable tourism, and contribute to a more resilient and prosperous future for people, communities, and the planet.
